

# PROGRESS WITH OUR PRIDE

Engaged in renewable energy solutions, LAUGFS Power operates the largest solar power plant in Sri Lanka. This was commissioned in 2017 with an aggregate capacity of 20MW, adding 40GWh to the national grid. LAUGFS Power also operates three mini-hydro power plants at Balangoda and Ginigathena, supplying green energy to the National Grid. Presently, a 2MW hydro power plant is also under construction, with multiple solar power projects in various stages of development.
