

MW LIFESCIENCES

WE ARE **HIRING**

PRODUCT MANAGER-MEDISAFE RANGE

Unique opportunity to manage & lead the largest hand-sanitizer brand in Sri Lanka. Medisafe sanitizer is the proud supplier to all government hospitals as well as most reputed private hospital chains in Sri Lanka.

MW Lifesciences is a leading external pharmaceutical formulations manufacturer in Sri Lanka. MW Lifesciences is operating a WHO-GMP accredited factory in Nugegoda. The company is currently involved in contract manufacturing, local market sales and export. The company intends to use its R&D strength and continue to launch novel pharmaceutical & cosmeceutical formulations. The company's flagship brand medisafe sanitizer has produced over 1.5 million liters of hand-sanitizer. The product has over 75% market share within the hospital sector in Sri Lanka. Our company intends to launch a range of high-end disinfection products. The company intends to recruit a dynamic individual to maintain the recurring sales & acquire market share for the newly launched products. MW Lifesciences strives to provide viable, innovative and cost-effective healthcare solutions to the market.

JOB RESPONSIBILITIES

- Work with a dynamic team of sales representatives.
- Delivering presentations to hospital doctors and pharmacists in the medical sector.
- Providing product information and delivering product samples.
- Reaching all annual sales targets.
- Performing product demonstrations and installation support.
- Monitoring competition by gathering current marketplace information on pricing, new products delivery schedules, merchandising techniques, staying informed about the market conditions and the latest healthcare practices.
- Launching highly effective medical marketing campaigns
- Freshers are encouraged to apply.

JOB REQUIREMENTS

- 1-2 years work experience in sanitizer/disinfection related industry will be an added advantage.
- Should possess strong communication skills and be a dynamic team player.
- Target oriented and be ready to work towards a common goal.
- Should possess a valid driving license.
