

Assistant Factory/Field Officer

The Rosyth Estate - Kegalle

*The Rosyth Estate in Kegalle is a privately owned tea & rubber estate situated just outside of Kegalle. The estate includes a luxury boutique hotel which attracts mostly overseas visitors. We are seeking a young, enthusiastic person to join us and be part of our **Artisan Tea Project***

You may be a university graduate with an agricultural or science degree, which has developed your analytical skills & you will have a love of agriculture & the environment or you will have trained in the tea industry & be looking for a new opportunity. You will be looking to use your theoretical training and work experience to help us develop this social enterprise project. In our new purpose-built artisan factory, we have successfully developed good quality hand produced tea & are now ready to produce tea on a daily basis. Reporting to Assistant Tea Manager, you will:

- Use your skills to supervise the picking of tea and the development of our tea fields to produce the best quality green leaf for our tea factory & in conjunction with the existing management you will assist with the day-to-day management of the estate.
- Work alongside our Assistant Manager to run the production process producing the highest quality handmade teas in our newly built artisan tea factory.
- Take pride in applying an analytical approach to tea production and seeking constant improvements.
- Enjoy working as part of a small team, where your personal contribution can make a big difference.
- Speak good English and be skilled in the use of computers and Microsoft Outlook software.

For the right individual this will be an exciting opportunity in a new social enterprise business. We will offer a competitive salary, accommodation & food within the staff quarters of the hotel and the opportunity to earn a share of 10% of the revenue from this project.

The Rosyth Estate is a family-owned business. The Artisan Tea project will be managed through the Rosyth Foundation which is committed to social enterprise, equal opportunity and the development and improvement of the local community.
