

LANKALOHA Internship Programme for Graduates

Team LANLO is a place where extraordinary people gather to do their best work. Together we have been building products and experiences for decades.

As an intern, you'll support a specific area of business, such as **Retail & Whole-sale Sales, Research & Development, Engineering, Logistics & Supply Chain, Accounts, Finance, Administration, Human Resources, etc.**

Are you excited by the idea of making a real impact with hands-on experience?

Join us and make a positive impact as one of the influential leaders in the industry. At LANLO you will share in a commitment to reach excellence by partnering with teams who are building products and services that give a positive experience to our customers. We hire quality academic's with integrity, personal accountability, teamwork, excellence, and can-do attitude.

LANLO has opportunities for students who are passionate about pursuing careers- you will learn, grow, and contribute to our business while working on exciting projects alongside your team Principal.

Key Qualifications:

- ▶ Completed a 1st class/honours for a Bachelors degree in Business Human Resource, Finance, Accounting, Sales & Marketing, Agriculture, Engineering (Mechanical, Electrical & Electronics), Environmental, Industrial, Logistics & Supply-Chain, or related.
- ▶ Excellent verbal and written communication skills in English.
- ▶ Ability to think analytically
- ▶ Strong at multi-tasking
- ▶ Thrive in a fast-paced environment
- ▶ Be a self-starter

During this period, you could:

- ▶ Research & Analyse performance by highlighting trends and anomalies
- ▶ Streamline reporting through the use of database, Excel macros
- ▶ Provide insights and recommendations for improvements and innovations

After 6 months of completing an internship at our Head-office in Yakkla, impactful interns will be eligible for a permanent offer into Team LANLO.

We are looking for individuals who like to grow with us and move the innovative **#teamLANLO** forward. LANLO thrives as a company with people who give their very best every day and who are eager to develop personally and professionally.

A competitive package in-line with company standards awaits the right candidates.
[Applications without cover letters will not be considered]

Apply for the roles under the email subject "**internship programme**". We invite you to email your Cover Letter & Resume to jobs@lanlo.lk, with names of two non-related referees, enclosing a recent passport size photograph and stating the position/subjects of interest applied for.
