

“LEARNER TO LEADER”

DRIVE TOWARDS EXCELLENCE AS A MANAGEMENT TRAINEE

Lakmee Products has established itself as one of the top food and beverage manufacturing and marketing entities in Sri Lanka in just over 14 years. As businesses continue to grow, our brands represent our passion for inspiring goodness. Our product offering is diverse, serving consumers both locally and globally with soya meat, noodles, cereal, beverages, fat spreads, condiments, spices, and seasonings.

JOIN US AS WE EVOLVE...

Launch Your Career as a Management Trainee and Experience Comprehensive On-the-Job Training Across Manufacturing, Marketing, Sales, HR, Accounts, Supply Chain and Exports!

Are you a dynamic and ambitious individual with a passion for learning and a drive to excel in various facets of FMCG business? Join our esteemed company as a Management Trainee and embark on a journey of professional growth, hands-on experience, and unparalleled exposure across manufacturing, marketing, sales, and distribution.

MANAGEMENT TRAINEE

WHAT YOU WILL EXPERIENCE

- **Manufacturing Excellence:** Gain first-hand experience in our state-of-the-art manufacturing facilities, understanding the intricacies of production processes and quality control measures.
- **Strategic Marketing:** Dive into the world of marketing, assisting in the development and execution of strategic campaigns, brand building, and market analysis.
- **Sales:** Immerse yourself in the sales process, from customer relationship management to sales forecasting, and contribute to revenue generation strategies.
- **Supply chain:** Learn about the distribution network that ensures our products reach customers effectively and explore logistics, inventory management, and supply chain optimization.
- **Human Resources:** Get a glimpse into HR operations, including talent acquisition & retention, employee engagement, performance management, and organizational development.
- **Accounting and Finance Exposure:** Understand the financial heartbeat of the company through involvement in accounts, budgeting, financial analysis, and reporting.
- **Information Technology:** Explore IT systems, infrastructure management, and digital transformation initiatives that drive operational efficiency.
- **Global Exports:** Gain insights into international business as you contribute to export strategies, documentation, and compliance.
