

## NO.1 GLOBAL PRIVATE-LABEL SAFETY GLOVES MANUFACTURER

Our Brand Is About Optimism, Future And Most Of All Safety. To Progress And Thrive Safely, Is What Makes Midas Safety Relevant To Everyone! Our Customers, Our Partners, Our People and Our Communities!

Midas Safety is known by its customers as the No. 1 global-label safety glove manufacture in the world. For over 40 years, hundreds of globally renowned PPE safety brands have been relying on Midas Safety as a credible OEM of industrial safety gloves. Our vast range of products makes us the only super market gloves, committed to offering consistent quality and innovative solutions to our customers across 50 countries. From a single manufacturing unit in its early days, Midas Safety has, over time, vertically integrated to 15 facilities across 10 countries, covering all stages of the product development cycle, from procurement of raw materials and spinning and plying our own yarn, till the manufacturing of the end product. Midas Safety Associates have factories located throughout Asia, in Pakistan, Sri Lanka and Bangladesh.
