

BE AN AVIATION SECURITY PROFESSIONAL (AVSEC)

WHY?

Possessing an ICAO (International Civil Aviation Organization) recognized qualification is an advantage for you to be employed at any international airport. After completion of training you will be eligible to be absorbed to the AASL permanent cadre subject to availability of vacancies.

WHAT?

We are looking for energetic male & female, who possess required qualifications to undergo training in Aviation Security (AVSEC) at Bandaranaike International Airport (BIA) at Katunayake and Civil Aviation Training Centre (CATC) at Ratmalana, with the aim of paving a path to them to become professionals in AVSEC.

HOW?

The applicants are required to undergo a standard medical test and physical fitness test. The selectees will receive training in 2 stages.

STAGE 01

AVSEC Trainee

ICAO Standard Training Program STP 123 & Practical Training. (12 weeks)

Step 01: ICAO Standard Training Programme STP 123 (06 weeks residential programme at (SLAAA) Ratmalana)

Step 02: Practical Training (6 weeks residential programme at BIA)

Those who are selected from the final examination of **STAGE 01** are eligible to follow **STAGE 02**.

Bond should be signed by the trainee at the start of the Training Programme.

STAGE 02

Airport & Aviation Trainee Security Assistant

AVSEC On-the-job Training at BIA (1 year)

- Trainees will be deployed at BIA to undergo AVSEC operational training with uniforms.
- Continuation Training Programs (04 classes per month) is mandatory for them.
- They will be paid a training allowance per month for 12 months.
- During the training period of 12 months, they will be prepared for the AVSEC screener certification.
- Those who have successfully completed 2 stages will be absorbed into the permanent cadre as Airport & Aviation junior Security Screener subject to availability of vacancies and other formalities.

Note: A comprehensive training will be provided to selected candidates on expenditure recovery basis.
